

Events at Black Cat Farm

Black Cat Organic Farm and Bistro is welcoming private events year-round on the farm in 2021. Our structures and the surrounding grounds honor the property's farm heritage, while also serving as beautiful, functional spaces for events and guests.

We are taking all precautions to bring you an unforgettable dining experience at our expansive outdoor venue with private glass cabanas, historic barn, and garden patios.

Alfresco dining, beautiful gardens, gorgeous views, working farmstead.
